RUGBY REPORT, 1958-59.

This season was not a very successful one for any of the teams with the exception of the "Under 14" team. It must be remembered, however that an epidemic of influenza in the school curtailed the season

by four weeks as well as necessitating the use of substitutes for many of the matches played during the Easter term.

The Senior Cup Team played matches against two Northern Schools—during the Christmas term they played and lost to Bangor Grammar School at Bangor. The score was 8-6: During the Easter term they were hosts to Belfast High School whom they defeated 15-8.

In the Schools' Competition the Senior Cup Team got a bye into the Second Round and played Presentation College, Bray. Despite a brave display, they were beaten 3-0.

Though the Junior Cup Team only won 8 matches to 6 lost they finished the season with 73 points more 'for' than 'against.' Getgood, their captain, is to be congratulated for obtaining 96 of the total number of points for the season.

In the first round of the Junior Cup, Masonic met St. Conleth's College. This was rather a one-sided affair and Masonic won 40-3. In the second round De La Salle proved a tougher team to beat and the score this time was 0-0. However, in the replay, the Masonic side won 16-6. The third round match against C.U.S. also ended in a draw, 3-3. Unfortunately, because of the 'flu epidemic, they were obliged to retire from the competition and concede the match to C.U.S.

The "under 14" team were the most successful this season, winning 80% of their matches. The "Under 13" team did fairly well in winning more matches than they lost, while the "Under 12" team played and lost their two matches.

We congratulate L. Bloomer, J. Robinson, R. Cole and V. Agar for obtaining Leinster trials.
