

The Stan Polden Memorial Shield for the boy who contributed most to school games during the year: M. P. Tyrrell.

CRICKET REPORT FOR 1971

Of the seven matches played by the Senior eleven three were won, two lost and two drawn. On the whole, it proved to be a fairly good season. G. Curry had the highest batting average and thus won the Richview bat. He also had the best bowling average and so, I think, justified his selection for the Leinster school's cricket team for the second year in succession.

The Junior Cup team did reasonably well, winning two of their four matches, losing one and drawing another. R. Russell had the highest batting average and C. Davis headed the bowling averages.

RUGBY REPORT, 1970-'71

The Seniors had a fairly good season. They played 22 matches, won 11, lost 10, drew 1. Until Malcolm Tyrrell returned to school some weeks after the new season began they lost all their matches but, thereafter, under his influence, improved. The team won their first Senior Cup match when they beat Wilson's Hospital by 10 pts. to nil, though in the second round, after a hard fought match, in which honours were almost even, they fell to Sandymount High School by 16 pts. to 10.

In the annual match against Sligo, for the Fry Cup, Masonic won by 9 pts. to 5. In the League they made an impressive start, winning three matches in a row and then suffering defeat in the fourth.

During the season the S.C.T. scored a total of 200 points with 238 scored against them. John Phillips, with 83 points, was top scorer; with Alistair Loughrey second with 34 points.

Team: Brian Armstrong; David Williams, W. A. Williams, Alistair Loughrey, Paul Bradley; John P. Phillips, Derek Cowan, J. P. Marshall, Kenneth Elliott, S. T. Pentland, Robert Gibb, Gordon Curry, J. W. Faulkner, John L. Willdridge, Malcolm Tyrrell.

Junior Cup

The J.C.T. had one of the most successful teams for many years. Of their 15 matches they won 13 and lost 2. Their first game was against Clongowes and they only lost by 3 points—20 to 17.

In the Junior Cup competition this fifteen did reasonably well. They beat Wesley by 30 pts. to nil in the first round, which enabled them to meet St. Columba's in the second round. This they won by 11 pts. to 3, and when they looked like carrying all before them the team ran into a bad patch when they came to meet St. Michael's who defeated them by 11 pts. to 3. The team failed to hit their top form for this game.

Under 14

Overall, this fifteen had a good season, playing 9 matches and winning 6. The two top scorers were Alan Hunter, who netted 63 pts., and Malcolm Loughrey who got 25. The team scored 186 points and 102 were registered against them.

Team: Ian Greaves; Errol Reid, Alan Hunter, Noel Kingston, J. H. Leech; Malcolm Loughrey, William Chambers (scrum); Kenneth McNutt, David Lowry (capt.), Keith Morris, W. S. Acheson, C. J. Johnston, Richard Andrews, Stanley Mehaffey, J. R. Russell.
